Yamaha GP1200 For Sale: Are They Still Worth Buying ...
Looking to get back into a quick waverunner after I sold my GP800
a few years back, and I found a clean 2000 model GP1200R. So
here's the question: Do I want to consider this original power valves
system ski or run away from it? I know many complain and have
had huge repair bills due to the pin falling out or the connecting rod
breaking.

drop. Ski has 105hrs, is it likely to be worn rings. If it was worn
rings would it be recommended to replace pistons and rings or ...
