360 Degree Feedback | Performance Appraisal, Psychometric ...

360 degree feedback is when you collect feedback about your strengths and weaknesses from everyone around you, hence the name 360 degree. As a manager, if you were the one receiving 360 feedback, you'd collect feedback from your direct manager (if you have one), your employees, your coworkers, and potentially even your customers.

The Pros And Cons Of 360 Degree Feedback - Officevibe

A 360 degree feedback review is designed to gather anonymous feedback about an employee from the people working most closely with him or her—including direct reports (in the case of managers & supervisors), peers, and managers. In this regard it isn't a typical performance review.

360 Degree Feedback Survey Tool & Questions | SurveyMonkey

One of the world's leading financial services firms is introducing a 360 degree feedback tool and, while the 360 degree appraisal won't be the sole measure of performance, it will provide leaders and managers with more regular feedback and give a more rounded view of their performance.

Using 360 Degree Appraisal For Performance Reviews | ETS

2. 360 Feedback as a Performance Appraisal Tool to measure employee performance Using a 360 degree feedback system for Performance Appraisal is a common practice, but not always a good idea. It is difficult to properly structure a 360 feedback process that creates an atmosphere of trust when you use 360 evaluations to measure performance.

As its name suggests, 360[degree] feedback assesses employee performance and development from several points of view: peers, customers, supervisors, and those who work for the employee. As you'll discover from the many examples presented in this book, 360[degree] feedback has many well documented benefits: it gives employees and teams a clear understanding of personal strengths and areas for development; employees view feedback from multiple perspectives as fair, accurate, believable, and motivational; the flexibility of the process makes it meaningful for people at all levels - in union and nonunion environments - with proven success in such disparate fields as health care, law, manufacturing, and military operations; 360[degree] feedback enhances the effectiveness of diversity management, team-based work structures, TQM, and other broad initiatives. Equally important, these noted authorities show you what not to do when implementing your 360[degree] feedback program. You'll see how other organizations handled pitfalls . . . analyze situations for which this method may not be appropriate . . . and find honest answers (and solutions) to common criticisms of the process.

This is a competency era. Organizations with competent people are likely to surge ahead. How do you know if you have competent people? How do you know if you are one of them? 360 degree Assessment and Feedback has come to be accepted as a good tool for competency assessment and leadership building. TVRSL has developed its own models of competency and leadership building (RSDQ) through 360 Degree Assessment. This book is the outcome of the experiences shared at the second conference on 360 Degree Feedback and Performance Management recently. It provides insights into how Indian Organizations are using 360 Degree Feedback and Performance Management System to enhance themselves.

Now learn from two seasoned consultants how to implement the 360° feedback process effectively--whatever the size and history of your organization. Packed with case studies and the authors' real-life consulting experiences, this book examines the successes and problems of 360° and upward feedback implementation efforts in more than 15 organizations, including Motorola, AT&T, Federal Express, Raychem, Colgate-Palmolive, and UPS. The book objectively considers such crucial components of 360° feedback as organizational culture and performance, pros and cons, the impact on the individual employee, and whether the feedback should be used for evaluative or developmental purposes. Models and tables lend a visual dimension to the book's concepts. Sample surveys and feedback reports--including the authors' own TEAM-Q survey and report set--show you what types of questions to ask and how to present feedback most effectively. If your company is considering adopting its own 360° feedback program, don't start before you read this book!

More and more organizations are using 360-degree feedback to provide an opportunity to talk about key changes. This second edition of the best-selling book includes research and information that more accurately reflects who is using 360-degree feedback and where and how it is being used. In addition, the authors incorporate information about the impact of advances in technology and the more global and virtual work environment. 360 Degree Feedback, or multi-rater feedback, is an established HR methodology used in organizations across the world. This book presents in-depth details about the process of developing managers into leaders and outlines methodologies for designing and using a 360 Degree

Programme for managers at all levels. This second edition draws extensively from the authors' own experiences in the last decade since the first edition was published. The book also includes research done using over 8,000 top-level managers whose leadership roles and qualities were profiled using the authors' Roles, Styles, Delegation and Qualities (RSDQ) model. Lessons from their stories and practices of some of the HR award-winning organizations are presented in this edition. The book also presents a section on the various tools of 360 Degree Feedback for a variety of groups. It is hoped that this edition will give an update of the 360 Degree Feedback the Indian way.

This volume is the definitive work on strategic 360 feedback, an approach to performance management that is characterized by: (1) having content derived from the organization's strategy and values; (2) creating data that is sufficiently reliable and valid to be used for decision making; (3) integration with talent management and development systems; and (4) being inclusive of all candidates for assessment. Featuring 30 chapters from leading practitioners in the field, the volume is organized into four major sections: 360 for Decision Making; 360 for Development, Methodology, and Measurement; Organizational Applications; and Critical and Emerging Topics. It presents viewpoints from researchers, scientists, practitioners, and consultants on best practices in the design, implementation, and evaluation of many forms of multirater processes and technologies currently used to support talent management systems.

The comprehensive guide to 360-degree feedback from the Center for Creative Leadership In the network economy, growing intellectual capital is the key to increasing market value. In Maximizing, Tornow, London, and their associates demonstrate the power of 360-degree feedback for developing managers, renewing organizations, and building learning cultures. Drawing on years of experience and state-of-the-art research, the authors have crafted a highly useful and practical book which provides us with a thorough understanding of this invaluable organizational tool. --Leo Burke, director, College of Leadership and Transcultural Studies, Motorola University Despite the burgeoning popularity of 360-degree feedback for rating work performance, few people have a detailed understanding of how it can be used to enhance, even maximize, individual and organizational development. This standard-setting manual draws on the twenty-eight-year expertise the Center for Creative Leadership brings to the subject to give HR managers, consultants, and systems designers the big-picture guidance they need to determine if 360-degree feedback is right for their organization and, if so, to implement it. Readers will discover how they can use 360-degree feedback as a tool for achieving a variety of objectives such as communicating performance expectations, setting developmental goals, establishing a learning culture, and tracking the effects of organizational change. Comprehensive guidelines show how 360-degree feedback can be designed to maximize employee involvement, self-determination, and commitment. Includes case examples and a bevy of instructive instruments.

Do you supervise people? If so, this book is for you. One of a manager's toughest—and most important—responsibilities is to evaluate an employee's performance, providing honest feedback and clarifying what they've done well and where they need to improve. In *How to Be Good at Performance Appraisals*, Dick Grote provides a concise, hands-on guide to succeeding at every step of the performance appraisal process—no matter what performance management system your organization uses. Through step-by-step instructions, examples, do-and-don't bullet lists, sample dialogues, and suggested scripts, he shows you how to handle every appraisal activity from setting goals and defining job responsibilities to evaluating performance quality and discussing the performance evaluation face-to-face. Based on decades of experience guiding managers through their biggest challenges, Grote helps answer the questions he hears most often: "How do I set goals effectively? How many goals should someone set?" "How do I evaluate a person's behaviors? Which counts more, behaviors or results?" "How do I determine the right performance appraisal rating? How do I explain my rating to a skeptical employee?" "How do I tell someone she's not meeting my expectations? How do I deliver bad news?" Grote also explains how to tackle other thorny performance management tasks, including determining compensation and terminating poor performers. In accessible and useful language, *How to Be Good at Performance Appraisals* will help you handle performance appraisals confidently and successfully, no matter the size or culture of your organization. It's the one book you need to excel at this daunting yet critical task.

Leveraging the Impact of 360-Degree Feedback is a hands-on guide for implementing and maintaining effective 360-degree feedback as part of learning and development initiatives. Written for professionals who work inside organizations and for consultants working with clients, the book draws on a proven ten-step program and lessons learned over the past twenty years of research and practice. The authors present step-by-step suggestions for the successful implementation of 360-degree feedback as well as a collection of best practices that the Center for Creative Leadership has observed and tested with their broad base of clients.
