volume, this collection of the best stories of the century includes some of the greatest names in literature as well as a few spectacular one-hit wonders. Reprint.

50 Greatest Short Stories for Children is an anthology of what children have heard and read over the ages. Here comes a selection of the best fairytales, stories about creatures big and small, spells and enchantments, giants, witches, royal adventures and everything that makes a child's world magical. With numerous authors penning children's books, the classics seem to be getting lost and that enchanted world is receding to give place to more contemporary
