Naturally aspirated Mopar Wedge big-blocks are quite capable of producing between 600 to 900 horsepower. This book covers how to build Mopar's 383-, 400-, 413-ci, 440-ci engines to these power levels. Discussed is how to select a stock or aftermarket block for the desired performance level. The reciprocating assembly is examined in detail, so you select the right design and material for durability and performance requirements. Cylinder heads and valve train configurations are crucial for generating maximum horsepower and torque and this volume provides special treatment in this area. Camshafts and lifters are compared and contrasted using hydraulic flat tappet, hydraulic roller and solid flat tappet cams. Also, detailed engine builds at 600, 700, 800, and 900 horsepower levels provide insight and reveal what can be done with real-world component packages.

Learn to love your parent's new spouse—and family Dealing with stepparents isn't just a kid's problem anymore. With more and more older parents remarrying, you could be one of the many adults having to deal with the issues that arise from these later-in-life unions. Luckily, Terri P. Smith is here to help you out with what to do after your parent walks down the aisle, again. Smith deals with conflicts such as: Sharing time between stepfamilies Managing family rituals Figuring out what to do with prized possessions Handling wills, inheritances, and trust funds Living arrangements Caregiving and illness Building relationships with grandchildren—his and hers Maneuvering holidays and vacations These practical solutions and emotionally satisfying answers will relieve the strain of your parent's remarrying, and allow you to enjoy your new extended family.

Frederik Drescher addresses the timing of non-mandatory insolvency filings based on threatening illiquidity (§ 18 InsO) with the aim of a company's restructuring as an agency problem between owners and management. The hypothesis of a tendency towards delayed insolvency filings, which was developed using a decision model, is experimentally confirmed. Moreover, the author analyzes different incentive instruments potentially leading to earlier insolvency filings.

Are you or your child in the habit of SKETCHING on one page and then WRITING on the other? This notebook will enable just that, with lined paper and blank pages alternating with each other. It will foster your creativity and make you more focused. You no longer have to look for two different types of notebooks because this has both the types of paper you want. The blank paper may be used for doodling, drawing illustrations, making diagrams or any rough work. The lined paper may be used for taking notes or writing down thoughts and ideas. The advantage of having alternating blank pages and lined pages is that you can refer to your sketches and diagrams when you are writing or vice versa. It makes it very convenient to do everything that you would like to do in a single notebook. Being lightweight it is so easy to carry around, and comes with an elegant cover that will make it stand apart from other notebooks. Features: Made in USA, of high quality paper. Has a total of 100 pages to sketch and write in. The first page has space specially created for writing your name and other details. Beautiful, soft and durable cover with a classy matte finish. Lined pages are college ruled to fit in all your notes. 8.5 x 11 inches in size. Once you start using the notebook, you will realize how convenient it is with its all-purpose utility for drawing, sketching and writing. Get this notebook NOW and gift it to your kid, or just sketch and write your notes and thoughts regularly!
