Hibbeler empowers students to succeed in the whole learning experience. Hibbeler achieves this by calling on his everyday classroom experience and his knowledge of how students learn inside and outside of lecture. In addition to over 50% new homework problems, the twelfth edition introduces the new elements of Conceptual Problems, Fundamental Problems and MasteringEngineering, the most technologically advanced online tutorial and homework system.

1903. Thomas Nelson Page, author of short stories, novels, essays, and poetry, is best known for his role as literary spokesman for the glories of the Old South. Gordon Keith begins: Gordon Keith was the son of a gentleman. And this fact, like the cat the honest miller left to his youngest son, was his only patrimony. As in that case also, it stood to the possessor in the place of a good many other things. It helped him over many rough places. He carried it with him as a devoted Romanist wears a sacred scapular next to the heart. See other titles by this author available from Kessinger Publishing.

#1 NEW YORK TIMES bestselling author Grant Blackwood introduces Briggs Tanner in a trilogy that Clive Cussler raves is "Pure fun, pure adventure." One Man. Covert agent Briggs Tanner doesn't like coincidences. In his business, they always mean trouble. So when a man is professionally assassinated right in front of him, Tanner wants answers. One Mission. Who pulled the trigger and why? And what is the mystery behind the key the man clutched in his dying hand—the key that Tanner now possesses? One War Without End. His search will lead him on an international trail, city to city, from the depths of the Pacific Ocean to the bullet-ridden back alleys of Beirut, all the way to a deadly secret—buried since the end of World War II—that only Tanner can keep from falling into the wrong hands.

The story of the Roadless Traction firm encompasses 60 years of design and innovation in the fields of transport and agricultural engineering. Here, the reader follows the fortunes of the firm from its earliest roots in tank track design to four-wheel drive and high-horsepower tractors.

As more employees work non-routine hours, often in critical safety and security positions, recognizing and reducing stress and the human error it causes is more important than ever. Performance problems caused by unconventional work schedules and resulting fatigue are a significant cause of industrial accidents, lost productivity, and high medical costs. Shiftwork Safety and Performance offers practical solutions to managing fitness and health, improving alertness and sleep quality, and maintaining a social life while performing shiftwork. The author, an experienced safety consultant and trainer who has studied shiftwork around the country, explains the often disastrous consequences of inadequate alertness, and offers ways to improve morale and reduce accidents. If you supervise or train shiftworkers, this book will help you identify opportunities to improve workplace and worker safety. This easy-to-read, practical manual introduces scheduling strategies to improve alertness, enhance the quality of time away from work, and assist crew communications. It is the first and only complete guide on the complex subject of shiftwork and human performance, and the first book addressing the serious subject of shiftworker burnout.

This title examines the history of the Washington Redskins, telling the story of the franchise and its top players, greatest games, and most thrilling moments. This book includes informative sidebars, high-energy photos, a timeline, a team file, and a glossary. SportsZone is an imprint of Abdo Publishing Company.

Designed to strengthen the global church with a widely accessible, theologically sound, and pastorally wise resource for understanding and applying the overarching storyline of the Bible, this commentary series features the full text of the ESV Bible passage by passage, with crisp and theologically rich

exposition and application. Editors Iain M. Duguid, James M. Hamilton, and Jay A. Sklar have gathered a team of experienced pastor-theologians to provide a new generation of pastors and other teachers of the Bible around the world with a globally minded commentary series rich in biblical theology and broadly Reformed doctrine, making the message of redemption found in all of Scripture clear and available to all. Six experienced Bible teachers walk through some of the richest but more challenging books of the New Testament, helping Bible readers understand what they say about Christians' hope for the future. Contributors include: Dennis E. Johnson Robert L. Plummer C. Samuel Storms Ray Van Neste Matthew S. Harmon Thomas R. Schreiner
