Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin word parts (prefixes, root words, and suffixes). This is one of the most complete, usable presentations of vocabulary development using word parts you will find. A knowledge of word parts gives students a head start on decoding words in reading and testing situations. This is the first book in the two-book series. Each of the well-developed lessons in this text includes: one to three word parts along with meanings and sample words, five vocabulary words that use the prefixes or root words, definitions and sample sentences for each of the five words, a practice exercise that lets students apply knowledge of the words and their meanings, and a one-page review worksheet for one or two lessons that presents more unique opportunities to work with the prefixes and root words and to see how they are combined with suffixes. In addition to the student pages, the teacher's information includes: an extensive listing of the most common prefixes, root words, and suffixes; their meanings and sample words; additional words for each lesson; and lesson ideas to supplement the word being studied.

Receive this special price of \$2.99 per book when 10 or more copies are ordered! To order fewer than 10 copies see item #8151.These flexible assessments can be used both in correlation with the Primary Sources kits or as stand-alone practice pieces for a variety of standardized tests.The Student Edition contains an assessment with the following types of questions: multiple choice, constructed-response, and documents leading to a DBQ (Document-Based Question) task.

Facilitate a love of language with students in grades 4 and up using Jumpstarters for Root Words, Prefixes, and Suffixes: Short Daily Warm-Ups for the Classroom! This 48-page resource covers prefixes with negative meanings, prefixes denoting numbers, root words, suffixes, and words with both prefixes and suffixes. It includes five warm-ups per reproducible page, answer keys, and suggestions for use.

Dive into prefixes and suffixes where students in grades 2–4 will expand their vocabularies and improve their word knowledge. Starting with Prefixes and Suffixes is a standards-based resource that introduces common Latin and Greek prefixes and suffixes and presents them in ways that are easy to understand and apply. Each lesson provides necessary content explanations, instructional guidelines, and activities to help students decipher meaning by analyzing work parts and word groups. Additional resources are offered to assist teachers facilitate learning with an appendix offering more activities, extensions, and flashcards. This resource is correlated to College and Career Readiness and other state standards.

Word Detectives Volume 2 is the second of three workbooks that make Latin roots accessible to elementary students through stories, movements, and pictures. Many programs start with prefixes and suffixes. In contrast, Word Detectives begins with the "meatiest" part of the word. Prefixes and suffixes modify words, but the roots are the essence. These roots can form a foundation for vocabulary and spelling. Each root is introduced using a simple story. This story is then associated with a body movement that reminds students of the meaning of the root. Finally, the root is associated with a picture that reminds the student of the story, the movement, and the meaning. There are 4 roots per lesson. The lessons are designed to be short and simple. Intensive worksheets combined with a scripted instructor's guide teach students to identify familiar roots when they encounter them in words. First students study a list of words with a common root using fine discrimination to differentiate between similar words, and then students learn to infer the meaning of unfamiliar words using gross discrimination based on the clues provided by the roots, prefixes, and suffixes. This book is meant to be a tool. If introduced early (between third and fifth grade), Latin roots can be highlighted in spelling, reading, and vocabulary, but it is never too late. The story-movement-image combination impacts multiple learning styles and makes high level skills attainable for younger students. Let's become "word detectives." Word Detectives Worksheets Volume 2 is an optional companion workbook. It eliminates the need to make copies and keeps student work organized. Instructors may prefer to purchase one Word Detectives Volume 2 Workbook which includes the stories, movements, pictures, worksheets, and scripted instruction guide. Instructors may choose to additionally purchase one Word Detectives Worksheets Volume 2 workbook which includes only the pictures, worksheets, and prefix/suffix appendixes for each student. Let's start looking for clues!

Based on the best-selling Diversified Health Occupations, Introduction to Health Science Technology provides the health science technology student with basic entry level knowledge required for a variety of health care careers, including medical terminology, basic anatomy and physiology, computer training, leadership, team building skills and in-depth medical math. It is also a highly practical resource that covers the core information needed to pursue a career in health care, from an introduction to the health care industry to descriptions of health-related careers to legal and ethical responsibilities of health care workers. Carefully revised with new photos throughout, the second edition includes updated information on the Food Guide Pyramid, infection control information, standards for blood pressure that concur with AMA and AHA recommendations, and much more. 180 reproducible quick activities—one for each day of the school year—review, practice, and teach English prefixes, suffixes, and roots.

What are " Root Words " ? A root or root word is a word that is used to form another word. It is also called a base word. A root does not have a prefix (a letter or group of letters added to the beginning of a word) or a suffix (a letter or group of letters added to the end of a word). The root is the primary lexical unit of a word, and of a word family. For example, pure is a root. By adding prefixes and suffixes, the following words could be made: impure, purity, pureness Similarly, play and move are root words. By adding prefixes and suffixes, the following words could be made: plays, played, playing, player moving, movement, moved, movable, mover, movingly In this book, I have given the most common Greek and Latin roots which are used in English language. Sample This: Root Words -- A AGG Origin: Latin | Meaning: collected Examples: agglomerate -- to collect things and form them into a mass or group | related word: agglomeration aggrandize -- to increase your importance or power | related word: aggrandizement aggregate -- to put together different items, amounts, etc. into a single total | related words: aggregation, aggregator \*\*\*\*\* ALTR/ALTER Origin: Latin | Meaning: other Examples: altruism -- caring about the needs of other people | related word: altruistic alterable -- that can be changed | related word: unalterable altercation -- noisy argument alternate -- to follow one after other | related words: alternately, alternation, alternative \*\*\*\*\* ANIM Origin: Latin | Meaning: breath, life, soul Examples: animal -- a living creature animate -- having life, to make something full of liveliness | related words: animated, animatedly, animation, animato, animator, inanimate animateur -- a person who promotes social activities animism -- the belief that natural objects have a living soul | related words: animist, animistic animosity -- a strong feeling of opposition equanimity -- calm state of mind magnanimous -- kind, forgiving, generous | related words: magnanimity, magnanimously pusillanimous -- lack of courage unanimous -- agreeing with others | related word: unanimously \*\*\*\*\* Some More Root Words -- A Root Word [Origin] -- Meaning | Example(s) (Related Words in Bracket) a [Greek] -- not | atheism, apolitical, atypical ablat [Latin] -- remove | ablation ablut [Latin] -- wash | ablutions abrot [Latin] -- born too soon | abortion abras [Latin] -- rub off | abrasion [abrasive, abrasively, abrasiveness] abstemi [Latin] -- controlled; moderate | abstemious abund [Latin] -- overflow | abundance [abundant, abundantly] ac [Latin] -- to, toward | accept [acceptability, acceptable, acceptably, acceptance, acceptance] acanth [Greek] -- thorn | acanthus acet [Latin] -- vinegar | acetate, acetic, acetone achr [Greek] -- colorless | achromic acid [Latin] -- sour | acidic, acidity, acidosis, acidulate (acidulation, acidulous) acm [Greek] -- summit | acme aco [Greek] -- relief | aconite acous [Greek] -- hear | acoustic [acoustical, acoustically, acoustician, acoustics] adama [Greek] -- invincible | adamant (adamantly) ade [Greek] -- enough | adequate (adequacy, adequately) adip [Latin] -- fat | adipose adolesc [Latin] -- growing up | adolescent (adolescence) aer [Greek] -- air or atmosphere | aerate (aeration), aerial, aerialist, aerobic (aerobics, anaerobic) agr [Latin] -- field | agrarian, agriculture (agriculturist, agricultural) \*\*\*\*\* Other Root Words -- A Root Word [Origin] -- Meaning aapt [Greek] -- indomitable, unfriendly abact [Latin] -- driven away abdit [Latin] -- secret/hidden ablep [Greek] -- loss of sight abr [Greek] -- delicate abscis [Latin] -- cutoff absit [Latin] -- distant aca [Greek] -- a point; silence acar [Greek] -- tiny accip [Latin] -- allow, snatch accliv [Latin] -- steep; up-hill accresc [Latin] -- increase ace [Greek] -- sharp acerv [Latin] -- pile acest [Greek] -- healing; remedy

Move beyond boring word drills and vocabulary quizzes with Active Word Play! The 31 engaging games and activities in Active Word Play encourage students in grades four and up to make new vocabulary words their own. As students actively work with words, the connections they make help them understand and retain the words they are learning. Jane Feber's active-engagement approach infuses Active Word Play with the same enthusiasm your students will experience when they play these games and create make-and-takes that promote long-term retention of new vocabulary words. Step-by-step instructions, illustrations, and templates-as well as lists of common roots, prefixes, and suffixes-make this a ready-to-go resource you'll use over and over. You just choose the words from literature or content-area and basal texts that fit your instructional needs. Students will have as much fun learning the new words as you will teaching them!
