EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

Intended for all segments of agribusiness as well as non-agribusiness organizations, AGRIBUSINESS:PRINCIPLES OF MANAGEMENT presents the changing face of agribusiness in a format that is interesting, straightforward, and easy to understand. This comprehensive book approaches agribusiness as a technology-oriented industry composed of organizations ranging in size from small, family-owned farms or businesses to some of the largest corporations in the world. With multiple opportunities for self-review as well as vignettes, cases, and examples in each chapter, this book shows readers the real-world application of what they are learning and provides them with a solid understanding of what management is all about. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Now a TV series on FOX starring Morris Chestnut, Yaya DaCosta, Nadine Ellis, and Joe Morton. "Fascinating. . . . [Graham] has made a major contribution both to African-American studies and the larger American picture." —New York Times Debutante cotillions. Million-dollar homes. Summers in Martha's Vineyard. Membership in the Links, Jack & Jill, Deltas, Boule, and AKAs. An obsession with the right schools, families, social clubs, and skin complexion. This is the world of the black upper class and the focus of the first book written about the black elite by a member of this hard-to-penetrate group. Author and TV commentator Lawrence Otis Graham, one of the nation's most prominent spokesmen on race and class, spent six years interviewing the wealthiest black families in America. He includes historical photos of a people that made their first millions in the 1870s. Graham tells who's in and who's not in the group today with separate chapters on the elite in New York, Los Angeles, Washington, Chicago, Detroit, Memphis, Atlanta, Philadelphia, Nashville, and New Orleans. A new Introduction explains the controversy that the book elicited from both the black and white communities.

"A cohesive picture of an extraordinary figure. . . . The issues raised by Bruce's life and career resonate today, making Graham's book not just a history but a revealing commentary on race and class, and on their inordinately powerful force in shaping our lives today."—Chicago Tribune Spanning more than a century, Lawrence Otis's illuminating biography is a fascinating look at race and class in America, witnessed through the life of Blanche Kelso Bruce—the head of America's first black dynasty and the first black U.S. senator. Otis reveals how Bruce rose from slavery to achieve power and prestige in the aftermath of the Civil War. With his wife, the daughter of a prominent Philadelphia physician, he would break social and racial barriers—a legacy continued by their children until scandal destroyed the family's wealth and stature. Filled with triumph and tragedy, Otis's riveting book brings into focus an important yet little-known segment of our nation's past.

"In Member of the Club. [Graham writes of] heartbreaking ironies and contradictions, indignities and betrayals in the life of an upper-class black man." --Philadelphia Inquirer Informed and driven by his experience as an upper-middle-class African American man who lives and works in a predominately white environment, provocative author Lawrence Otis Graham offers a unique perspective on the subject of race. An uncompromising work that will challenge the mindset of every reader, Member of the Club is a searching book of essays ranging from examining life as a black Princetonian and corporate lawyer to exploring life as a black busboy at an all white country-club. From New York Magazine cover stories Invisible Man and Harlem on My Mind to such new essays as "I Never Dated a White Girl" and "My Dinner with Mister Charlie: A Black Man's Undercover Guide to Dining with Dignity at Ten Top New York Restaurants," Graham challenges racial prejudice among white Americans while demanding greater accountability and self-determination from his peers in black America. "Lawrence Graham surely knows about the pressures of being beholden to two very different groups." --Los Angeles Times Lawrence Otis Graham is a popular commentator on race and ethnicity. The author of ten other books, his work has appeared in New York magazine, the New York Times and The Best American Essays.

Looks at the companies that best recruit, train, and promote minorities, and tells how to improve minority recruitment and career development within a company
