Marian Newman's *The Complete Nail Technician* has been written in line with the current NVQ in Nail Services at levels 2 and 3, and will appeal to both students, instructors and practising nail technicians alike. Written by a leading figure in the nail industry, *The Complete Nail Technician* contains everything you need to know about nails. It covers essential information about the chemistry of artificial nails, as well as comprehensive sections on the anatomy and physiology of the skin and nail unit; preparation of therapist, work area and client; applying and maintaining tips, overlays and sculptured nails; and basic and advanced nail art; as well as providing important health and safety advice. The new third edition has been completely brought up to date and includes inspiring 4-colour images and nail art designs, and easy to follow step-by-steps. It also includes new pedagogical features and increased coverage of business practice to ensure that students and nail technicians alike are better equipped with all-important commercial skills. *The Complete Nail Technician* is an essential reference manual for practising nail technicians, salon owners and instructors and a great step-by-step guide for beginners.

Fully updated with the latest industry standards, this 4th Edition of The Complete Nail Technician by Marian Newman, is a must-have for every nail technician. From the first time student studying towards their Level 2 or 3 qualification to the practising professional seeking to refresh their skills, this respected book will appeal to those who want to develop excellence in their chosen profession. Written in Newman's accessible and professional style, this text provides readers with the benefit of her extensive experience by passing on top tips and advice. It is the only nails textbook endorsed by Habia and VTCT, and is an essential reference manual for all nail technicians and manicurists.

I can't wait to share my unique personalised guide to aromatherapy. This book contains some of my writings on the subject I am most passionate about. Discover why aromatherapy is much more than just a smelly treatment, how it can enhance your health and well-being. Enjoy some of my aromatic suggestions and recipes and read some simple case studies. Join me on one of my aromatic adventures in the high Alps of Provence as I describe my week and the experiences I had with the many plants I encountered. Be inspired by the power of the flower and many other plant oils on our fragrant planet. I was born an aromatherapist! My early memories from childhood are full of aroma. I am a teacher and practitioner, and I continue to be astounded by the wondrous possibilities aromatherapy brings to our health and well-being. It is all captured here in this book. Read it and discover what you need to grow!

What is the difference between an academic and professional qualification? Who should get a professional qualification? Did you know that some professions can not be legally practised with a degree alone? Why get a UK qualification? Is it expensive to gain a British qualification? What is a chartered institute or society, and is it better than a non-chartered body? What is the difference between

a professional body and a trade union? These are all questions answered in this book which is designed to help individuals choose a career path and the right professional organisation. In today's world it isn't enough to have a qualification, you need to be able to meet with peers and use the valuable networks that are already in place to foster your profession. Your Professional Qualification provides a comprehensive survey of the qualifications available in the UK along with guidance on where they lead, entry requirements, where to apply and where to study. Derived from the vast and authoritative British Qualifications database, this important publication provides the first easily accessible guide to qualifications and how to get them in the UK. Built around a comprehensive directory of professional qualifying bodies each professional area is described in depth and its qualifications identified and explained. The book is supported by a simple website, which ensures purchasers of the book are kept up-to-speed with new developments.

The Art & Science of Beauty Therapy is an indispensable reference for beauty therapists, providing up to the minute guidance for student Estheticians. Each treatment is explained using insights and practical advice from a team of industry experts, and the book clearly illustrates the personal qualities and professional skills that make a successful beauty specialist. * Step-by-step photo sequences and diagrams * Checklists, key points and topic summaries * Anatomy & Physiology for easy understanding * Full coverage of Facial Electrical treatments

“ Designed to closely match the content of many of the mandatory units of Level 2 Nails qualifications, each chapter will guide you through what you need to know and how to prepare for assessment. General topics such as health and safety, client care and promoting products and services are all covered in the context of nail services. The practical skills required to provide manicure and pedicure
